Experience

Orange Tech Club ISETN

1 year 8 months

Graphic Designer

January 2025 - Present (1 year 5 months)

Nabeul, Tunisia

- Designed and produced 20+ tech event promos and social media posts using Illustrator and Photoshop under a unified brand kit.

- Co-hosted monthly hands-on workshops for 30+ members on web fundamentals and design essentials.

- Collaborated in club design sprints, refining visuals from concept sketches to final exports.

Member

October 2024 - January 2025 (4 months)

Nabeul, Tunisia

- Participated in deep-dive React Native workshops at Orange Tech Club, gaining hands-on experience in mobile app development.

- Built small team demos after each session, practicing collaboration, code reviews, and agile development workflows.

- Met sprint-style deadlines, strengthening time-management, project planning, and teamwork skills.
- Practiced pitching ideas and presenting prototypes, improving communication and problem-solving abilities.

TeknoIsland

Intern

January 2026 - February 2026 (2 months)

Hammamet

Arab Tunisian Bank ATB

Internship Trainee

January 2025 - February 2025 (2 months)

Hammamet, Tunisia

- Provided technical support to employees at Arab Tunisian Bank, troubleshooting hardware, software, and network-related issues.
- Gained hands-on experience in IT support processes, improving problem-solving skills and efficiently managing technical requests.
- Developed an understanding of banking operations and client-facing systems, enabling effective solutions while maintaining professional interactions.
- Strengthened technical competencies and ability to support IT infrastructure in a professional environment.

Biome Games

Game-Artist

June 2024 - July 2024 (2 months)

- Worked as a Pixel Artist at Biome Games Studio, contributing to the development of two games: Throne & Arrows and Sword of Lumina (both available on itch.io).
- Learned and applied Git version control, Unity engine basics, and other game development workflows while collaborating with the team.

Education

Higher Institute of Technological Studies of Nabeul

Bachelor's degree, Computer Systems Development

Lycée Mohammed Boudhina
